PATTERN FOR WORRY MONSTERS' PANTS

This is the size recommended for monsters made to the new, adapted basic worry monster pattern on this website. Depending on your tension these pants will come out approx 6" wide and 5" deep, but as they do stretch we find that this size will fit our larger monsters.

Use DK in a variety of colours of your choice. Plain or stripy ones are fine. (Chunky isn't as successful.)

Size 4mm needles

Cast on 34 stitches

Knit 6 rows in K2, P2 ribbing

Then 28 rows stocking stitch

Cast off 10 stitches at beg of next K row, and then a further 10 at the beg of the next P row (14 stitches).

K2tog twice at the beg of the next K row, and P2tog twice at the beg of the next P row (10 stitches).

K 1 row, P 1 row.

Cast on 2st at the beg of the next K and P rows (14 stitches).

Cast on 10st at the beg of the next K and P rows (34 stitches).

Stocking stitch 28 rows

Finish with 6 rows in K2, P2 ribbing

Cast off and sew up the sides
