Purl 1 row.  
Cast off.

**Ears:** make 2.

Using main colour cast on 6 sts.  
Work 5 rows in stocking stitch starting with a purl row.  
Decrease 1 st at each end of next row.  
Cast off.

**Tail:**

Cast on 3 sts in main colour.  
Work in i-cord for no more than 6" (safety rules due to choking hazard). Cast off.  
(To knit an i-cord: \*Knit 1 row, slide stitches to the other end of needle, do not turn, repeat from \*. If you don't have double pointed needles, you can still achieve this by slipping all the sts from the right hand needle back onto the left-hand needle. Then just knit another row, and repeat. )

**Mane:**

Using 3 strands of different coloured wool together, cast on 3 sts.  
Work in garter stitch for approx 25 cm (10 in) or until work is long enough to form a circle around the head. Work an even number of rows.  
Cast off 1 stitch, then slip the needle out of the remaining stitches. Now carefully unravel the work to form loops as shown.

Sew up the side seam of body, arms and head. Bend the mane round into a circle and sew around the edge of the head. Attach the ears to the head and tail to the back. Make a small pom-pom using the three colours used for the mane and attach to the end of the tail. Sew on a happy face using black yarn.
